KIND WORDS...

I just wanted to say thank you for the delicious food for my mum's surprise party we had on the weekend. Everyone was very impressed with the beautiful food and I was more than impressed with high quality service you provided us. It is unusual these days to have business owners replying to email at 8pm at night and 5:30am in morning. It shows strong dedication to both your business and customers and I am very glad we chose you for our catering.

Annette Crichton-Walsh. Thank you for your kinds words Annette. We will be sending you a \$25.00 gift voucher to spend in store. Keep an eye out for it in the post.
